## Writing

"Actions speak louder than words". This is very important proverb, that everyone should know. It means that if you promised something, you must complete it, no matter what.

For example: You said that you are very kind and always will help if someone need it, But when your friends in trouble you ~~say~~ will say that it is not your problem. This is very bad and it means you are a bad friend. That is why actions speak louder than words. If you respect your friends, you should be very truly with them.

I want to say that this is very truly and wise proverb. I am absolutely agree with this proverb and <sup>its</sup> meaning. Thank you for reading, I hope you enjoy that, and agree with my opinion.
